## Al Galantes' Band To Play for Dance Homecoming Night

Arrangements have been made to feature Al Galante and his Orchestra at the annual Homecoming Dance to be held in the men's gymnasium on Saturday night, October 21, at 9 p.m., with admission price \$1.50.

Al is a personable young man whose songs and entertaining were a popular feature with the Dick Jurgens' orchestra for ten years. When Jurgens retired from the band business to go into his own private firm, Al decided to organize his own band. He is following the same popular musical stylings of Dick Jurgens which are famous throughout the country.

Whether Al Galante is directing a fine musical aggregation, singing a chorus of a popular song, or playing a velvety tones from his violin, he radiates personality that captivates audiences in the top hotels and ballrooms across the country.

## Marching Bands Enter for H-Day

Looking forward to the annual Homecoming Parade of the College, to be held October 27, one may expect it will be bigger and better than ever.

So far forty-three high schools in Iowa and Missouri have accepted invitations to bring their marching bands to the parade and several more schools are expected to participate.

In the past there have been separate divisions for Iowa and Missouri schools, but according to Mr. Everett W. Brown, Director of Field Services, this year there will be only one division with three classes in it.

Arrangement of classes will be made according to the high school enrollment and the number of years the school has had a marching band.

The winning schools in each class will receive a trophy and each band member will be served a free lunch and admitted to the football game free.

The following schools have accepted invitations:

From Iowa — Braddyville, Clarinda, Clearfield, Corning, Cromwell, Farragut, Gravity, Lenox, New Market, Prescott, Riverton, and Sidney. From Missouri — Braymer, Burlington Junction, Clarksdale, Clearmont, Craig, Elmo, Fillmore, Forest City, Gallatin, Grambling, Grant City, Hamilton, Hopkins, King City, Mound City, North Harrison at Eagleville, North Platte at Dearborn, Oregon, Osborn, Park Hill, Pattonsburg, Quitman, Rock Port, Rosendale, Sheridan, Smithville, South Nodaway at Barnard, Stanberry, Stearns, Tarkio, and Westboro.

## Secretary Says Help Will Come; Problem Is Known

By BILL MORSE

Secretary of Agriculture, Ezra Taft Benson, flew into Maryville last Wednesday to discuss the drought situation and other problems with the farmers of this area first hand. For more than one-half hour, Mr. Benson talked of the farm problem as it now exists and had existed under the previous administration.

"Having been a farmer all my life," Mr. Benson said, "I feel that I know the problems of the farmer first hand." Mr. Benson said of President Eisenhower, "I can tell you that the American farmer has never had a greater friend in the White House."

The Secretary expressed the feeling that he and the committee meeting in Columbia that afternoon would possibly reach the decision to recommend this area for emergency drought relief.

Following his public address, Mr. Benson conducted a question and answer period. Topics such as what can be done for the falling price of eggs, the food stamp issue, and what steps the government is taking to improve the present drought situation were all handled effectively by Mr. Benson.

## Bob Owens Flies West for Weekend

Bob Owens, a lieutenant flying for the Missouri Air National Guard, made a six and one-half hour flight from St. Joseph to Sacramento, California, Friday, October 5. On the return trip, Owens stopped in Yuma, Arizona; El Paso, Texas; Kansas City, and St. Joseph, arriving home Sunday, October 7.

Mr. Owens has completed the U. S. Air Force Cadet Training and is now enrolled as a freshman here with a business major and an economics minor.

## President Jones Asks For Effective Action

President J. W. Jones spoke before special meetings of the presidents and sponsors of campus organizations, Thursday, Friday, and Tuesday at 4 p.m.

He told the students and faculty members of some problems on the campus and asked the campus leaders to work through their organizations to accomplish the items discussed.

All students should work to better the campus in every way possible, he told the groups of campus leaders. Students here should be proud to belong to the student body.

### To Encourage Families to Vote

He suggested that all students encourage members of their family and their friends to vote in the November election for legislators who are interested in higher education in the State of Missouri.

President Jones discussed the parking problem on the campus and emphasized the fact that the distance between the parking lot at the gymnasium and the Administration building is not too far for students to walk, if they are willing to cooperate.

### Rates Have Been Increased

Water rates and telephone rates have been increased, President Jones pointed out. The College expects to pay almost \$3500 more for these two items this year than was expected.

Fuel oil prices have increased sharply, too, he added, suggesting that students can help a great deal in meeting these bills if they are reasonable in their use of water, telephone facilities, and heat.

### Proper Behavior Is Expected

The President spoke of the importance of good manners on this campus. Good behavior on the part of both men and women is to be expected, he told the campus leaders. Women should have respect for themselves and should command the respect of the men. Conspicuous necking is not becoming to ladies and gentlemen.

To help improve the appearance of the campus, President Jones suggested that students who smoke put out their cigarettes before they throw them away. Putting the cigarette out will prevent fire and resulting damage. "Field stripping" will help appearances of entrances and other campus areas. Containers are at the doors for discarded cigarettes.

### Board Has Power to Expel

To solve the drinking problem, the President said that complaints which come in from chaperons and other persons responsible for campus behavior will have to be turned over to the Board of Regents. He stated that the Board has the power to expel any student for drunkenness, breaking of College rules, or immoral conduct.

The President pointed out that the law of the State of Missouri specifically states that certain acts on the part of students are subject to suspension or expulsion by the

## Scholarship Fund Has Helped Thirty-Two to Stay in College

Since its inception last year the Scholarship Fund at Northwest State College has awarded scholarships to thirty-two students from a fund which has reached \$3,044 from 215 donors. At the present time there is \$1,600 in the fund.

The stated purpose of the Scholarship Fund is to keep open the doors of opportunity for deserving youth possessing superior abilities. The record shows that this purpose is being accomplished to a greater extent each year.

During their May meeting, the Board of Regents voted to award fifty scholarships in addition to the scholarships given from the Scholarship Fund. These are to be awarded on the basis of need and achievement. The College appreciates the Board's generosity in helping students to be able to achieve a higher goal in their chosen field.

## "Gaby" Nets \$265 . . .

The College student loan fund has received a check for \$265 from the Tivoli benefit showing of the movie, "Gaby," Wednesday and Thursday of last week.

More than 900 persons attended the movie, which included two evening performances and a matinee for local high school students. This year's show was the fourth annual one held at the Tivoli.

## How Good Is Your Word?

Down at the bottom of this column is THE COLLEGE OATH.

No one is REQUIRED to take this oath. However, every student, faculty member, administrator, clerk, and other employee of the College might well ask himself if his loyalty to the college of his choice or to the institution for which he works does not place upon him the obligation to live by the principles in THE COLLEGE OATH.

I know that many students and employees of this college do live by these principles. Personally, I read and accept the obligation of the oath each time the paper comes to my desk. This helps me to renew my faith in the ideals of this college and strengthen my determination to strive for a realization of the ideals expressed.

I promise you that I shall try to live by THE COLLEGE OATH.

Will you?

—J. W. JONES  
President

## Even to the Last Second...

The cheer leaders would like to express their appreciation to the student body for the fine attendance and spirit shown at the recent pep assembly and the William Jewell football game.

The response of the crowd to the new yells and the spirit exhibited certainly inspired the Fighting Bearcats on to victory.

The team played hard, and knew that the student body was behind them 100% by the enthusiasm displayed down to the last second of the game.

Let's keep that Fighting Bearcat Spirit!

### THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to inculcate a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

## The Stroller...

The campus is already buzzing with an undercurrent of Homecoming preparations. It won't be long until the buzz will break into a roar and Homecoming will be well underway.

A week ago last Saturday morning the Stroller drove through College park where he saw a group of shivering but brave girls cooking breakfast. This courageous delegation proved to be members of the Colbecon club welcoming their new members with a friendly game of freeze out!

Most of the social organizations have pledged their new members. The Stroller extends his congratulations to both the new members and to the organizations for their choices.

At the Maryville-Jewell game the Stroller overheard a spectator say that it was one of the best games he had watched in a long time. What he saw was that fighting Bearcat spirit in action.

The latest chuckle on the campus is about a young lady who tried to use an automobile insurance card as a meal ticket.

The Stroller would suggest that no one try drowning himself in the shower this week, as the water supply is too low for such extravagance.

Those telltale green beanies, which were becoming more or less extinct on their own, disappeared entirely with the Walkout Day activities. Now there is no way on earth to recognize the freshmen as they are just as suave, sophisticated and ivy-leaguish as all the upperclassmen—ahem!

Walkout Day, 1936, was unique in that the initiation of the freshmen was conducted by the members of the Student Senate. There were no unusual punishments, but good clean fun was the order of the day.

There was great anticipation on the part of the student body as to just when Walkout Day would be. Rumor was that this annual College event was to be Tuesday, October 9, but Tuesday dawned bright and clear and had progressed beyond the danger point. Then it happened! True to tradition, the Bell of '48 was rung, but at a few minutes after 9:00 a.m.

Within a few minutes the halls were filled with laughing, carefree upperclassmen and slightly scared freshmen. However, everyone looked forward to an exciting day.

By 9:20 a.m. the freshmen were gathered in front of the Administration building, and were awaiting their fate. Art Buckingham, president of the student body, directed the freshmen boys to roll up their pants' legs; and then "get a girl." The procession of freshmen and some upperclassmen arrived at the courthouse, and found there a court of justice. Chief Justice "Bugs" Williams and his two hooded associates dealt out justice to the wayward "freshies," aided by a jury made up of Student Senate members.

Freshmen Fight With Flour

At 11:00 a.m. court was declared adjourned and the freshmen walked to the Horace Mann football field. There, several freshman boys were given small paper sacks of flour and were challenged by upperclassmen to a Flour Fight.

A luncheon was served in the Union, and festivities were postponed for a while.

The afternoon program opened at 2:00 p.m. at the Tivoli Theater with a Variety Show emceed by Jerry Davis and Jim Taylor. The Variety Show program consisted of many numbers. The Sigma Tau quartet sang "Sweetheart of Sigma Chi," the Sigma Sigma Sigma trio sang "Weary Blues," and the Phi Sigma quartet sang two numbers, "Angry" and "Jacque d' Iracque."

Alpha Sigma Alpha presented a desperado number, and the Independent Club presented a series of songs: "Blue Suede Shoes," "Country Kissin'," and "Hound-dog." The program was concluded by the film, "He Laughed Last."

The once-a-year day ended with a dance at the Union lounge to the music of Art Buckingham's band.

## ACE Formal Initiation Welcomes New Pledges

Formal initiation was held on Wednesday, Oct. 10, for all new members of A. C. E. The traditional ceremony was presented in which the "A" for Association, the "C" for Childhood and the "E" for Education were explained. After initiation the president welcomed the new members. The freshmen who wished then took an oath and became pledges for the semester.

A short business meeting was held during which Homecoming committees reported on their progress. The business meeting was then adjourned.

Dr. Koerble led a discussion on mental hygiene and pointed out the importance of its recognition by the classroom teacher. After the discussion, a film was shown which brought out some of the points of the discussion.

## Bearcats to Play Powerful Indians On Rivals' Field

The Bearcats will travel to Cape Girardeau on Friday to meet the most rugged foe to date. Cape is a winner with only two games lost during this season up-to-date. After meeting Warrensburg last Saturday the Bearcats face another contender this week.

Coach Knox of Cape has put together a high scoring machine, as the team has scored more than ninety points in four games and has moved on the ground by rushing for more than 800 yards. Ellis is the leading scorer in the conference with Powell, another Cape boy, leading in this department. Brennecke is another fine back and is third in conference rushing. The team operates from the Split-T with variations, and in the early season play, moved mostly on the ground.

Maryville has improved from the greenest team in the conference to a real threat. These are not just words. Statistics show that in every game the team has gained more yards on both the ground and by air than it had in the previous game. The line was to be very weak, according to predictions in pre-season polls, but the unwillingness to give the extra yard when the opponents are inside the Maryville ten-yard line has shown how determined the team is this year.

The middle of the line on defense is manned by Dick Flanagan and Bill Horner at tackles, Jack Taylor and John Schülze at guards, with Kenny Stevens and Cal Rowan as linebackers. This is to take nothing away from the fine support of the other team members, but the center of the line has shown the ability to stop power drives of the opponents and must be given a lot of credit.

The Bearcats will again use the fine passing attack which has functioned so well in the first five games. Walker has been on the mark this year on more than forty per cent of his throws. Mallen, Cromer, and Cole have made nice catches and offer several fine targets. The line-up will probably be much the same that has been started in the last two games.

## "B" Ballers Start Season Practice

Basketball Coach Robert Gregory has started shaping up his 1956-57 Bearcat varsity squad. General cage tryouts began October 16. Last year's veterans include Bob Alcorn, Leo Bangs, Don Ek-lund, Ed Kavanaugh, Merrill Nisely and Mike Hutcheon, who is now participating in football. Another returning letterman is Dick Phillips, who was on the 1954-55 team.

For all boys who have potential for varsity basketball but lack experience of college competition, a "B" team will be formed. This organized group will play a ten-game schedule, according to Coach Gregory.

The prospects of the 1956 football season look bright for the College. Coach R. Milner again counts on his capable co-captains, Mickey Mallen and Darrell Walker, to lead this 1956 edition in the M.I.A.A. Conference play.

Mickey Mallen, a senior from Plattsburg, is one of the steadiest players on the ball club. Mickey is a physical education and business major and plans to make coaching his career. At the present time he is coaching the Raven-wood basketball team but still is leading the Bearcats in his final year. He has been an active supporter of the "M" Club in its many activities.

From the halfback spot, Mickey has been in the past a fine broken field runner. His confidence on the field has been displayed when he picks up that needed yard or makes that tackle on defense.

Darrell Walker comes to the College from Stanberry. He is a senior and is to be graduated in January. Last year as one of the veterans, Darrell was presented the Conference Sportsmanship Award. His fine all-around play also earned him the second team All-Conference quarterback post. As the records show, Darrell is one of the better passers and kickers in the conference.

Both boys are three-year lettermen and begin their final season for Northwest Missouri. These co-captains in their second season in this capacity give the team the needed leaders on and off the playing field.

BOYS, MAKE THE LAST YEAR THE BEST . . . This could be the words of head football mentor Ryland Milner as he stands before his senior footballers. They are front row, left to right, Ron O'Dell, George Haskey, Cal Rowen, Fred Maher, and Mike Hutcheon. Back row, Gerald Cole, Micky Mallen, Darrell Walker, Larry Rowley, George Lockridge, and Vic Cromer.

## Intramural Play Has Close Games

Last week's intramural football schedule was upset by Walkout Day. Monday's results on the football field showed that the Phi Sig Whites bested the Independent Whites by a 20-7 score.

In the only shut-out game of the evening, the Phi Sig Reds failed to score over the Tiger Den in a 13-0 contest. Sig Taus edged out the Independent Red team 25-20. In the last game of the evening, the Sig Tau Blues rolled over the TKE Blues 13-0.

Officials for the games were Bob Paxton, Glee Guess, Larry Bolan, Bob Sticken, George Bishop, and Roy Travis.

## Young Ravens Win Over Small 'Cats

Maryville's B Team took it on the chin for the first time this season when St. Benedict's B was handed a 25-7 victory.

No less than nine times, the "B's" had the pigskin within the ten-yard stripe, with first down coming up.

No less than seven times they fumbled.

Fred Fuhr broke loose for 45 yards and pay dirt. Buck Skaggs clipped off 65 yards to the two-yard line. On the next play the ball was fumbled as was the case six other times.

## Big Mules Kick 'Cats In 13-6 Football Game On Warrensburg Field

Coach Ryland Milner's Bearcats were outplayed by the Warrensburg Mules in the Mules' first MIAA conference contest Saturday afternoon, both in the air and on the ground in a 13-6 loss.

The Bearcats lost no yards for illegal tactics, while the powerful Mules gave up 15 yards. In return, however, the Mules instituted what is termed a "rough" game which early knocked out one of the top MSC guards, freshman Jack Taylor, with a sprained ankle.

Cole made Maryville's touchdown.

## Coeds' Gym Activity Has Fair Attendance

A co-recreation program of swimming, basketball, volleyball, weight lifting, and good cleansing showers is being held Saturdays from 2 to 4 p.m. Swimming is open to all college students from 4:30 to 6:00 Tuesdays and Thursdays and from 7:30 to 9:00 Wednesday evenings.

These activities have had poor to fair attendance according to Dr. H. D. Peterson, athletics director, and all students are requested to attend these activities which are planned for their benefit.

## Random Shots

Pending the fact that the cats have no serious injuries, next game they should be the vorile over Springfield in Homecoming game on October 20. This is based on the fact that J. downed the Bears 27-0 and Maryville knocked off the Cardinals 13-7.

The Bearcats, with strong passing, lately have been working hard to improve their running attack. If this practice proves worthwhile, you can bet for Maryville to give every fits.

Pete Younger, manager of away lanes, announced that college students with an admission ticket could bowl on Monday Wednesdays for a cut-rate cents, shoes included.

Bob Alcorn, senior, dominates the tennis court at the present. Bob, who started learning the just last year in a tennis wound up victor over Dick Phillips in the singles finals just the day. With that showing he like a sure bet for the tennis in the spring. Robert worked summer long on the St. Jo tennis courts.

Dick Phillips did team up J. C. Woods though to beat Murphy and Marvin Black in doubles finals. Richard didn't tend school last year, but the ceding year he lettered on tennis team. He was also a ketball letterman that year.

At the swimming pool there at least two boys you want to know. They are Dale B. who is acting as assistant to Gregory and Dr. Peterson, Darrell Williamson, who is a ager of the pool during the recreational program. Both were at the Maryville swimming last summer.
